## A SUCCESSFUL 2012 WINTER SEASON

The season at Skeena Heliskiing ended successfully mid April with amazing powder snow conditions right down to below tree line. All in all, we can look back on one of the colder winters we've had in a number of years, with consistent snow falls and good skiing during the entire season.

Even though the operative season is over, we've been very busy by introducing a cat skiing operation into the Skeena Heliskiing tenure. Bookings for 2012 are coming in very strong with only 2 weeks still open. The 2013 season is also slowly filling up. To see availabilities, please visit

<http://www.skeenaheliskiing.com/calendar.phtml>

Kind regards

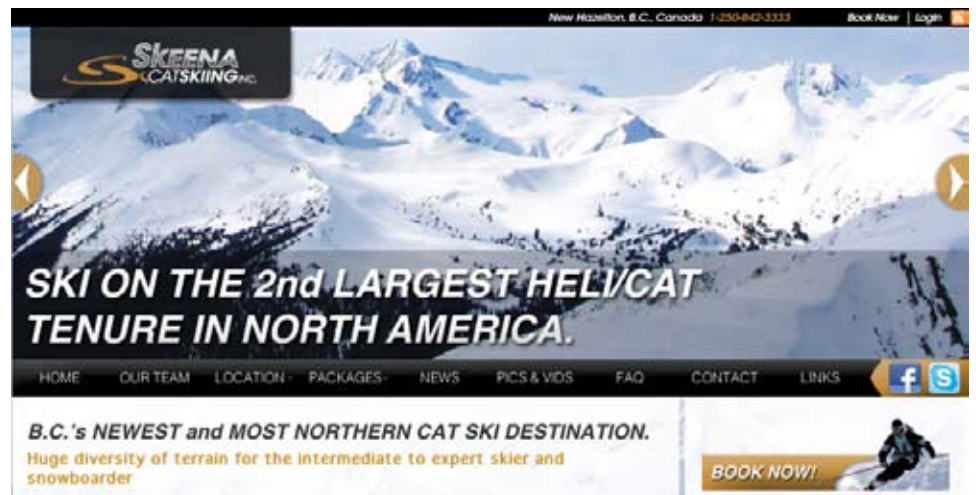

Giacum Frei

Skeena Heliskiing

## NEW: CAT SKIING IN THE SKEENA HELISKIING AREA: SKEENA CATSKIING!

A new cat skiing operation will start this coming winter in the Skeena Heliskiing area, located 40 minutes drive from Smithers and 1.5 hours drive from our heliskiing base. This adds the option of cat skiing in case of down days due to bad weather. We have been working at this project for the past 2 years after having met the right partners to realize the idea, Jevon and Lynn from Skeena Cat Skiing. We are super excited about the new project. Get all the info from their website:

## KÄSTLE BMX 118 FOR THE 2012 WINTER SEASON

During the last week were able to test Kästle's new BMX 118 in 168cm. Wow, I think we now have a perfect ski for every one. This model fits right between our other models (BMX 108 and 128). With 118cm under foot, it is quick, nimble, smooth and responsive ski which provides plenty of flotation. It is the ideal choice for those skiers who like a quicker and easier ski than the BMX 108.

We will have a few of these pink beauties to test at the lodge for the 2012 season. I'm pretty sure it will quickly become a favourite.

## COOL VIDEO EDIT - WINNING SOME EXTRA VERTICAL

Check out this cool video edit from late March from one of our guests Eduardo Theiler: "SKEENA 2011". Thanks for the awesome job! You just earned yourself some bonus vertical on your next heliski trip! If you also have a good video clip of your heliski trip at Skeena Heliskiing, send it in to us for a chance to win some extra vertical - something we all can't get enough of!
